

2019 Signature Marinus

Carmel Valley

Tasting notes |

The robe of our 2019 Signature Marinus is very densely colored. On the nose we find black cherry and boysenberry aromas along with notes of cedar. The palate exhibits very intense flavors of black current, blueberry, and blackberry, accented with spice notes. The finish is very long and highly-structured, promising a very long life for this superb wine.

Winemaking notes |

After exhaustive tastings of individual lots and barrels, our Signature Marinus was assembled representing the very best expression of this unique terroir.
